Jeff, Thinking of You Jeff and Family we know your hearts are heavy. May you find comfort in friends and family. There are no words to say that will take away the pain, but the memories of good times will always remain. May your grief be diminished knowing that we care. God gives us tests to help us grow. Why he does things, we don't always know. One day all things will become clear. Just remember his love is truly sincere. We want you to know Jeff we are always here for you. THE HUSTONS

Randy, Vicki, Sara & Jeff, We are so completely saddened by your loss, Ryan will be missed more than I can bare to think of. His beautiful smile and sense of humor..his love for family, and his kind heart will be remembered in our every prayer. He will live on in my heart forever. I know that he's charming an Angel as I type, and will be safe with Grandma Bennett at his side. When I'm sad I'll think of Ryan and the little horse that they gave him to ride at Houghton Lake, laughter and good memories will help to heal all our aching hearts. Rest in peace my sweet boy.
