Dear Dimmer family - I am so sorry to hear about your loss. I will never forget growing up (and putting up) with Robby when I used to hang out with Wendy in elementary school. When we got to high school I remember all of us hanging out together. Rob will surely be missed. You are all in my prayers and if you need anything, please don't hesitate to ask. Take care of each other and know that Rob is in a better place and will always be watching over you.
