The Dunstone Family (Liz, John, Patrick & Mary Eli) posted:

To Lou's family: we were very shocked and saddened to hear Fr. Duane announce Lou's sudden passing, from the pulpit at our special Dome Rededication Mass on September 21. We had just seen Lou hours before, working on our church property to ready the place for guests! Lou was a great guy, straight-forward and a great presence at St. Matthew as a faithful usher. He was kind to our kids. He was funny. We will miss him greatly and we pray for him and all of you at this difficult time. We hope that you will consider holding Lou's memorial service at St. Matthew Church, where many parishioners would be honored to help care for Lou at his time of death. God bless you all. - Liz Foley-Dunstone

My condolences to the family of Lou Fix. I knew Lou, and on a few occasions dated him, when he lived in Detroit on E. Warren. I remember him as a fun-loving, happy, kind person. I was surprised to hear of his passing, especially at such a young age.

totally blew me away when I heard and I am 2500 miles away in Gualala California taking down 22 miles of cable for my brother Tom. Uncle Lou will be well missed and I would of never thought something like this would of happened after all the heart work he just had done. Not in my wildest dreams.
