Scott,Kelly and Kids, I just wanted to tell you how nice your mom's service and luncheon was.I know how hard this last week was on all of you.If there is anything you need or that I can help you with, I am home all day every day. Please don't hesitate to call (586)498-9885 Your mom was such a source of comfort for me when my dad died. She took Abigail for me and sat with her on a couch and showed her pictures of my Dad and was telling her stories about him. I will NEVER forget that. She held her for along time for me and that was also a huge help. We are and always will be cousins,it's in our blood. Keep in touch. When things start to make sense again, let's start planning that cousins reunion. LOVE YOU ALL, Carrie

Kelly, Scott & Rob, My sympathies go out to you for your loss. As I cannot express how difficult it is to lose a close loved one such as a mother, I do truly feel for you in this time of sorrow. Your mother was quite like a mom to me as well (which I know you understand). I truly appreciated the time she (and the rest of your family) graciously accepted me in your home as a family member. Those are definitely the most memorable times which I still have fond memories of. I wish the best for all of you and your families as you go through this time of mourning. My family wishes we could be there with you. We look forward to seeing you soon during the upcoming holidays. Best regards, Drew
