Linda and family, Your 83mom was one of my favorite people. Serving as our secretary for so many years was a joy. She made us laugh, she cared about our lives and she shared our joys and sorrow. We hated to see her retire, and through the years I've had the pleasure of still making contact and talking with her at teacher parties or on the phone. I'll never forget her, and I know she will remain a bright light always in your hearts.

My deepest sympathies to the LePage family. I was a student in the mid 60's and "Mrs. LePage" was one of those people who always had a smile, an ear and a shake of the head for all of us. She will forever be remembered with love by hundreds of people who were lucky enough to have her enter our lives in those early years. Bye Betty.

Betty was my first secretary in the counseling center at Madison. She was the most elegant lady and had a great sense of humor. She and I would laugh all the time at the antics of the students. I have nothing but the fondest memories of this wonderful lady; I am deeply saddened at her passing. Those of us who knew her are must better people because of our relationship.
