We will always remember the times we spent with our dear friend Maureen when we were co-workers at American Blinds in the early 2000s. We instantly fell in love with Moe and loved her sense of humor. We feel lucky to have known her, and honored to have had her as our bridesmaid and to hear the poem she recited at our wedding. We loved the time she spent with us to plan for our big day. Susan is so thankful she was able to help throw Maureen's baby shower when she was expecting Isabelle. We will miss her greatly and mourn that we lost touch with her over the years, but will always think of her as a best friend. We hope Maureen is now at peace. She was loved, is dearly missed, will be thought of fondly, and won't ever be forgotten. Our hearts go out to her family, especially her three young children. We hope they remember her fondly, will never forget how great a person she was, and will some day find peace over the loss of their beloved mother.

I am so sorry to hear about Maureen. I know her through Girl Scouting and we have been camping together on more than one occasion. My daughters and I have always gotten a kick out of her sense of humor. She always had the leaders laughing at the leaders' meeting, and she was always having a good natured prank war with the girls at camp. When I was NSUD, I could always count on her to pitch in and help at encampment, day camp, or any neighborhood activity. We will always love our sister scout Mo, and will hold her in our hearts and minds with fond memories and love forever. Our sincere sympathies to the family. May she rest in peace.

My condolences to all of Maureen's family and friends. Maureen and I were really close in high school and spent a lot of our sophomore/Junior year hanging out, sharing secrets and dreams and just being high school girls. I recently reconnected with her briefly on FB and was so saddened to learn of her passing. I was really looking forward to sharing old memories with her. Our highschool years will always live on in my memories. I truly will miss you Moe/Woodstock, I thought of you often before we reconnected and will always remember the crazy/fun times we shared back in the day. - Erika (Lieberman) Rizak

I am so very sorry for your family's loss. My son and Nicholas were in the same class last year and play soccer together. My son is very sad for his friend right now. Although I did not know Maureen on a personal level, I much enjoyed talking to her at school and soccer, chuckling along with her as she shouted "Run, Forrest, run" to Nicholas on the soccer field. I know that she will be greatly missed by many. Rest in Peace Maureen and may God Bless your family and help them through their grief.
