Ariana Peters posted:

My name is Ariana Peters, and I am a physician who worked in Dr. Rudy's office as his resident. I was so shocked and saddened to hear of Karen's passing. Every Monday morning, I was in in the office with Dr. Rudy and the staff for 3 years. Karen was such an enthusiastic and helpful medical assistant - always willing to help, never complaining, and working very hard to make sure everything was completed properly. She was such a pleasure to work with, and I will miss her. I wish to express my sincere condolences to Karen's family and friends, and to say that my thoughts and prayers are with all of them during this difficult time. Sincerely, Ariana Peters, D.O.
