I wish I had any words that could comfort you all right now." You were so blessed to have her and so were we and anyone who knew her.I will miss her so much and I will pray for all of you.If ever someone deserved heaven it was Aunt Lura".This is what I told Tabitha as we drove home from the Atlanta airport today ,sending her boyfriend home to MI. after he visited this weekend for her 18th birthday.I wanted so much to take his ticket and be there with you all.I couldn't bring myself to tell my kids on Fri.I cried all the way home and she held my hand.I told her I hoped I could be 1/2 the parent she was, 1/2 the christian she was.I will cherish my memories of her ,spoiling on my kids like she did on me and making popcorn and her wonderful smile.I will miss her so much and I will never forget what a blessing she was in my life.I love you all,Tricia

God looked around His Garden and found an empty place. He then looked down upon the earth and saw her tired face. He put his arms around her and lifted her to rest. God's garden must be beautiful he always takes the best. He knew that she was in pain. He know that she would never get well on earth again. He saw the road was getting rough and the hills were hard to climb, so he closed her weary eyes and whispered "Peace Be Thine" It broke our hearts to lose her but she didn't go alone, For part of us went with her the day God called her home.

Uncle Chuck, Lura D, Scott, Jill and Shawn, We know this is a particularly hard, sad time for all of you and Aunt Lura's grandchildren. We just want you to know how very much we love Aunt Lura and will miss her dearly. All of you are in our prayers and thoughts. Aunt Lura was a very classy lady, she never judged any of us and always made us feel special. No one will ever make that fudge for me again like she did. We will all one day see her in that campground in the sky.

It is with a sad heart to know that such a wonderful woman has past away. Being a long time friend of her daughter Lura, I have had many occasions to see just what a beautiful caring woman she was. My own children also thought very highly of Miss Lura, she just shared of herself and you could not help but enjoy being around her. My hope is for her family and loved ones to have their pain be replaced with the joy of having had this beautiful women in their lives and to always hold the love and happiness that she gave close to their hearts.
