I'm sorry for your loss. Losing a friend or a loved one in death is never easy. Something that has brought me comfort is the scripture John 5:28, 29. It says: "All those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life..." Our creator promises to resurrect those sleeping in death so you can be confident that you will see Tom again. I hope that you gain comfort from Almighty Gods promise.
