Mr. Schofield My thoughts and prayers are with and your family. I know its been years, but a day never goes by that I don't think about all the good times with the Schofield family. You opened your home to me many years ago, and your family help make me the person I am today. If you and Shirley hadn't been there for me I would have never completed school, and become the successful person I am today. My deepest sympathy to your family.
