Dear Michele and Family Please accept my sympathy for the loss your dear husband Pastor lee. Take comfort in the words of The Almighty Yahweh. He promises to bring lost loved ones back to life by means of a resurrection. Please read (Isaiah 26:19) in Holy Scripture where he says through the prophet: "Oh, let Your dead revive! Let corpses arise! Awake and shout for joy, You who dwell in the dust!" May this promise from the source of life bring you peace

You never know what you have until it's gone. Our church lost a wonder man of God, a Pastor who looked after his sheep, a true Sheppard. He would do anything for one of the church family. Although i did not always agree with things he did i loved him and am honored that i am a worship leader for the Clinton Township Family Worship Center. He gave me the chance to be a worship leader and i thank him greatly for that. I know that he is up in a better place now but he will truly be missed. RIP Lee Sparre

It is so hard for me to say goodbye to such a wonderful and loving man. I owe him so much and I really don't think he knew how much he truly meant to me. Pastor Sparre was a great and amazing man of God. He stuck to God's plan for our church and never gave up. He was always there for my family and myself. Each time my grandma was in the hospital, he went to visit her, and she loved him so much. He honestly helped me through some of the hardest times and showed me that no matter what struggles I went through, God was always looking out for me and never gave me more than I could handle. Pastor helped me grow greatly as a person and spiritually. When I was 11, he was the man who baptized me. I just wish I had the chance to visit him after his surgery, and tell him all of these things and how much I really appreciate him. He was truly a blessing to our church and me. But really I know I don't have to say goodbye, it's see you soon. So Pastor, I'll see you soon.
