Our deepest sympathy to the family of Willard. I wish we would have seen Terry at the funeral. My brother Jim, Scott, Terry and Willard all picked on me when we were growing up together! And I will cherish those memories forever. God Bless

We were very sad to hear of Willard's passing. It has been a number of years since we had seen him, but we remember Willard, Terry and Scott being together a lot when the three of them attended the high school, May God wrap his arms around everyone who loved Willard and give them comfort and peace.
