I knew her only for 8 years, but it seemed like I knew her for a lifetime. She was a wonderful neighbor, my girls adored her. She was very wonderful and caring. She will be greatly missed. I give my sympathy and condolences to her family.

Checking the obituaries for Hazel Park daily from Arizona - Hazel Park & Longfellow Elementary along with several schools in Hazel Park were the best for my girls - still amazes me how this small 2 mile square city excelled in teaching when Webb was the head honcho - it's sad to lose a teacher with such high standards. Our sympathy to the family. Regards, Patricia and daughters, Teresa and Linda Cline
