Psalm 23 ... Rachel was like a sister to me and always will be... her spirit touched so many lives...and as she continues to live on in all of our hearts...let us remember & be grateful for the time the Lord had given us with her in our lives. I share in your sorrow, and although words can't begin to ease the sorrow of your loss, please know that you are all in the prayers of so many that care. Psalm 119:76
