Dr. Calvin M. Phillips posted:

Scott Augustine was my student at Edmonson Elementary School since his very first day at school. He was so kind and was a joy to teach. Scott, I remember the time your mother was turning from 12 mile road onto John R and you were in the back seat and the door was not properly closed. You fell unto the street. I think you were in the first grade. I love you Scott and pray that you will have peace of mind after the burial of your mother. May God be with you. Calvin M. Phillips, Ph.D.
