Linda ,she was my cousin ,she was my friend ,someone who was always there for me,she was godmother to my oldest girl(Bridget), and my heart is broken at her passing. I admire her strength,raising her kids alone, going through the illness and death of her husband such a short time ago. But she has left behind T hree great kids and two grandchildren to keep her legacy going. So proud of them .She may not be here but she touched us all and I am so grateful to have had her in my life.And she did leave me a very special birthday gift that will bring a smile every time I look at it.
