Tony was a wonderful friend, my favorite memory of him is when we both snuck out of our houses to sit in front of mine and talked till four in the morning. He was always there when I needed advice or help. He will be missed tremendously and thought of everyday as he always has. We are praying for everyone who knew him and one day we will see him again. We love you tony.

Im gonna miss tony so much. We had so much fun as kids. Going to greenfield village with granny, to the first time the boys saw snow, our trip to Texas the baseball games. And the famous go-cart that tony wasnt tall enough for, and he was so upset. And Tonys life as a Marine. We had a special bond, we always talked while he was away . Tony also had a special bond with Emma he was so loving, and caring with her.. I will forever miss our chats. . I love you so very much & very proud to call you my cousin. . Till we meet again cuz!
