Although we knew Ben only a few years, he brought a lot of happiness and fun into our lives. He loved Alabama and its people and spent many hours of research and travel to write human interest stories of them. One of his favorite people and confidante was Mrs. Flossie Holmes and she loved him in return. Rest in Peach, dear friend. Your memory will always be with us. Thanks for being a part of our lives. To Sandy and her family our heartfelt sympathy. Raymond and Vickey Setters
