So Im going to start this by saying my heart goes out to my family during this tragic time. When I first heard the news, I almost didnt beleve it. But, here we are, mourning you, and your ending life. Im so sorry aunt kimmy, that we havent gotten to see, let alone speak to one another in years. I wish we would have, you would've adored my son. But I know you're at peace now, watching over us, and thats what matters. I will always love and miss you, and you will always be remembered, never forgotten. I love you, Aunt Kimmy, may you rest in peace and paradise.Love always and forever, Tiffany & K.C Czuchaj

Loved ones are precious I know this for a fact
And when you lose one it's like an attack
I've lost some loved ones
To many different things I hate losing loved ones
But it's a bell that has to ring
Loved ones are special I have many I should know
But it just seems I couldn't let them go
You try so hard to hold on
But in one small second
Loved ones are gone
Sometimes at night I pray for lost loved ones
Even though they won't come back
We Love and will Miss u Aunt Kimmy
