To Marlene and family, I have only known you and Carl for a very short time, but I am so, so grateful that I had the honor of knowing him. I knew the moment I met him and all the Legion Riders from the Royal Oak post that he was someone special. He made a very big impression on me and I will always treasure that. He and the Royal Oak riders were instrumental in my decision to ride the Legacy Run this year. We will ride this year's Legacy Run together in his honor. I feel confident that God had a better plan for Carl and needed him there. Stay strong and know that there are many people that are here for you and your family!! Love, Debbie Abraham Director American Legion Riders Post 32 Livonia, MI

God saw him getting tired, a cure was not to be. He wrapped him in his loving arms and whispered 'Come with me.' He suffered much in silence, his spirit did not bend. He faced his pain with courage, until the very end. He tried so hard to stay with us but his fight was not in vain, God took him to His loving home and freed him from the pain.
