I'd rather you'd still be around hating me than gone and like you never existed. I miss you immensely Melissa, and ask for your forgiveness as I forgive you. Truth be told, I haven't stopped thinking about you since the day I left. Again, for what it's worth, I hope you're with granny, at the casino in the sky-watching and cringing as granny hits, max bet...lol. Anyways, good bye, MelissaJeff. I will always love you, LOTZ...
