She was my mom and my best friend. She was and will always be everything I ever wanted to be--kind, funny, loyal, compassionate and kind. She made me laugh and wear a jacket when it was cold. She was my rock and I will miss her everyday. I love you, mom

She was my mom and my best friend. She was and will always be everything I ever wanted to be--kind, loving, funny and compassionate. She was my rock. She made me laugh when I was sad and wear a jacket when it was cold out. She watched out for my brother and I when she was here and I know she'll watch over us from a better place. I love you, mom

Nancy and I met in the third grade and we did everything together. We played when we were little, dated and married when we were teens, (my Larry brought Bob over to meet Nancy,) we had our children just about the same time, shopped, laughed, ate, cried, and held each other up when we had to say goodbye to family members that we loved. We worked together and talked a thousand times a day, and really never made a decision without talking it over with the other one first. I will truly be lost without her! Bob, Rob, and Angel, please know that I will always be there for you. I love you all very much. Carol

Mr. Evangelist, Robert, Angel and family - words can't express the sadness your family is going through. Nancy was an amazing woman. The children and parents from the Latch Key Program adored Nancy. I remember one time when I was at Costco and I was checking out and the employee recognized me from the Learning Ladder office, and she said, my child goes to Lessenger Latch Key and he LOVES Mrs. E. The mom proceeded to tell me how she also felt how wonderful Mrs. E. is. I work at the Learning Ladder in the Billing department so Nancy and I became buddies collecting payments from parents. Nancy was a tiny woman, but she sure stood tall to the parents. I don't know a parent, a child or a staff member who didn't think the world of Nancy. Nancy left a wonderful Legacy. Thank you for sharing your wife/mom with all of us. Lou Ann JamesLamphere Learning Ladder Billing Secretary

One of my (many) favorite memories was when we were eating pulled pork sandwiches at a family gathering and she told me that sitting on the front porch with a pulled pork sandwich and a Dr. Pepper was "hillbilly heaven". That gave me a giggle and it still does...every time I eat pulled pork! And it always makes me think of her. Aunt Nancy was a special lady and I have been so blessed to have known and loved her!

Aunt Nancy always gave me my birthday present early when we were all kids. It always made it feel special. Aunt Nancy always made me feel special like that. She was always thinking of all the kids, from hers down to mine. Love, Scott
