You will be greatly missed, Marcella! You were a good influence on me as a little boy, and I had the pleasure of spending a great amount of time with you, my brothers(Kenny&Benny), my sister(Sharon), and Paul was like a brother to me growing up! I have very fond memories of the times spent with you when you lived on Rowland Street In Madison Heights, and it was such a coincidence that my Grandma(Mattie Sue Baggett) lived right down the street from you! You will be greatly missed by me and many others! You are dearly loved by us all, and may our father in heaven, greet you with open arms as you enter the pearly gates to join him and all those waiting for you on the other side! God Bless you and may you rest in eternal peace!
