To Gary, my cousin I will always treasure and never forget the times when I would await your return home from Vietnam as I was always eager to see you and how we would go to Mc Donald's to enjoy a hamburger, the time you spent teaching me how to read and write, and the advice you gave me as a young adult. These and many other memories will always be held dearly in my heart and never forgotten. You will be greatly missed by all that you touched. Until we meet again in the house of the Lord, farewell my cousin, mentor and friend. Jeffery Shields

Gary, "Coach", will be missed here in central PA. He coached our softball team for several years and we had a lot of fun together. Still remember a great roadtrip to Philly to see the Pistons and the Sixers. I will remember our fun times. Please accept my condolences. Russ Poppleton
