Jerry & Jerilyn Bird lit a candle in honor of Antero "Terry".

Jerry and I received the news of Terry's passing last night when we returned from DC. We are so sorry for the loss of such a fine man and only wish we could have seen him more. We miss you Aunt Mary and Mary Jo and wish you Yahweh's peace and comfort at this difficult time. Jerry always told me about what fun all the cousins had playing together when they were young - they are fond memories. Since we moved to Florida, we have not been able to maintain contact with you and we sincerely apologize. We have your address now and that should help significantly. We send our love and heartfelt condolences praying that the Lord, our God, will bless you both and keep you in his loving care, granting you his peace and comfort.

Terry, You were a very kind and gentle soul. Extremely devoted to your mother, sister and family. You left this world too soon, but are now in a far far better place. Please continue to watch over your mother and MJ. The world was a better place with your presence in it. Ann Miller

While I did not know Terry well, anytime I ever met him he greeted me like I was a long lost friend. That openness and generosity of spirit; that talent for happiness and kindness spoke volumes about the kind of man that he was. He made you feel like you were the most important person in the room. He will be sorely missed by his family and friends and even by those like myself who knew him by casual acquaintance. It says much about the world that one man can give so much with such little gestures. It says more about the man that Terry was one of those people who made those kinds of gestures. Rest in the Lord's care, good man. James Geoffrey

Mary Jo (Hackett) Miles shared 4 photos to the **Tribute Wall** album.

Terry, you were a good big brother. You were a good son, too, taking care of mom after dad died and being her constant companion. I have always loved you, though I didn't say it enough, and I always will. Tell daddy I miss him. Now you can ride the two-wheeler instead of the three-wheeler, and you don't have to bother wearing a helmet. And, you can ride as long as you want, because mom won't tell you to be home in an hour. Just don't dawdle to meet me when I come to stay with you! I expect you to be on time for that! Love, Mary Jo (aka "Squirrel" -- WHY IN THE WORLD did you call me that???)
