My sympathy goes out to Kurt's wife and family. I've only worked with Kurt for just shy of 4 years. I didn't get to know him well, but every time I saw him, he always had a joke to tell. He made us laugh, that's for sure! I'm told he was able to fix ANYTHING that was broken. I know he will not be here to fix his loved ones broken hearts, but in time your hearts will heal. He will be missed. My thoughts are with you all.

RIP old friend...many memories after 47 years. Will never forget when Raukar brought me to tv repair shop on John R to meet his boyhood friend! The years we spent at Colden's! Wouldn't change a thing!
