When you and your mom flew to Florida , I met you both at the gate ,you were in her arms and my first glimpse was this sweet little face wearing big ole Mickey Mouse ears the flight crew had given to you, may your soul be wrapped so tight by all your loved ones in heaven , watch over your mom and brother til you see them again , goodbye little cousin

I was just telling Dustin about my Grandma, (your Great Grandma) pushing you around in a baby stroller in her house. Grandma was 94, still trying to do her best to keep a tiny newborn Kenny content. May you be in the arms of all who love you and have gone before you. ❤️U
