It was 1981 Fritz took me Kim Ketchum my love Kenny Wargo and friend Renee Bacalia on a trip to Florida and a trip it was I remember us looking for the beach next thing I knew we were driving on it. Totally a moment of luxury. Then the people that approached us were the spring break peeps from our hometown Hazel Park Michigan. I was amazed all young and shit. Fritz you are a very gentle human being I had respect for u and u made the worst days better I loved ur mom she was real as you to. Tell God for me and I know he is to treat you like a King!
