Bob has been my brother-in-law for 60 years. Over those years he has been a source of fun and help in so many ways. He and Les have been so close all their lives . working together at the City of Ferndale all their working lives. Bob was always there to help us in any way he could. One occasion I will always remember was when they were installing a shower in our basement and I wanted a light in it, Les said can't do that !!, Bob said i think we can and they did. He was always willing to help in any way possible. Just the best guy . We love him so much .From Earline and Les Berndt
