Family and loved ones loss but Kathy's home coming and gain. She is where we're all longing to go. I remember how she always answered a question I asked her. How you doing today Kathy..her reply was always..I am blessed. Her smile and her readily hug and kiss. God has taken her home now and she is healed for all eternity. We can rejoice for her even tho our hearts are heavy. But the day is soon coming when all God's children all those who are born'd again into the family of God will be gathered together and be with our Lord forever more. Until then Kathy....
