I'm so sorry to hear of Uncle Ray's passing. He was so much fun to be around and such a positive spirit. I had so much respect for him for all the hard work he put in over the years. I'll always remember laughing and joking with him and he was such a great mentor growing up in Michigan. He always took such great care of family members and while growing up, it was always such a treat to go visit him and Aunt Joan. He will be missed. Sorry we can't be there for the memorial service. Prayers and condolences to Kevin, Danny and extended family. Stephen

I second the comments by Stephen Stewart. Ray was a great guy. Ray Don and I had many Saturday morning walks in various parks around Royal Oak. He was a very supportive brother. We will miss him. We have good memories with Ray and Joan. Prayers and condolences to Kevin, Danny and extended family. Joe Wichers
