My name is Allan Ridley , my wife Dawn. We never had a chance to meet in person as you were resting when we came to Leif's middle daughters graduation party but through the many wonderful experiences Leif has shared of you with us including his conversations with my parents, we all feel we have known you for years. I personally have never heard anyone hold their Mother in higher regards amongst our conversations and so wish I could have met you to say, well, Thankyou.. you raised a great son, maybe a bit sharp amongst the edges at times, but honest and true to family and friend. I have not known a better man, officer or friend as I have met within your son and I thank you for that so much. I pray deeply you are finally at peace and that your cherished children will find healing within through the great memories you have left them with. To all of your family, may God bless you and hold you close during this time and bring you closer than ever. Sincerely, Allan S. Ridley Sr.
