Dear Kay, Tammi, Ryan, Bryan, and families, We are so saddened with you in your loss. Tom was a gentle and kind man. He was very much a philanthropist, always looking for ways to help others. The time and energy he put into his community (e.g. plowing the snow, Little League...) speaks volumes for who he was, much of which you may never know how it touched others lives. God gave him to you for a short time but, may his examples of selflessness live on in each of you. We won't be able to attend Tom's memorial on Monday, we will be out of town. Please know our families thoughts and prayers will be with you. Kay if you need anything please let us know. Our Love, Bill and Sherry (Masterson) Simpson and family
