I visited both Kathy and Doug in Port Huron as well as in Florida. Douglas was such an inviting and welcoming individual. We both liked the same music: "Pink Floyd" & "The Church", and because we connected musically I became family. He always took out his guitar when I visited he and Kathy and said, "Go get your guitar, we need to play." I was touched by his welcoming spirit and had many laughs with Douglas & Kathy. Very nice man.

Ah, my Doogie. You boys were my "Motley Crew" before Motley Crue. You all dressed like Kiss for Halloween- too bad the rains came down, and, with them, your face makeup. You all had two Moms - and needed them both. I can still hear Mom - " Now Douglas, what'd you do that for?" Love you, my other son. Tell them all Hello from Momma Theresa.
