Cathy was my supervisor many years ago at Kmart. Although I had not seen her for many years, I remember she always treated everyone with kindness and respect. She was a genuine caring person who will be missed in this world. My prayers for her family for this great loss. Carol Zimnie

Cathy was a true and dedicate associate for Kmart. I only met Cathy once or twice when she came to Texas at the Accounting office. No matter whether you were speaking with her on the phone or through an email, she knew her stuff. She never put you off but was always ready and able to help you. She was a dear sweet person. We spoke on the phone day after she found out about her cancer and she shared some stories with me about her life and family. I truly enjoyed that conversation. May God comfort her family during this time of sorrow. Love always...Kathy Childress - Dallas TX

I was incredibly blessed to know and work with Cathy. She was a fighter, never giving up and it was so encouraging to see her tackle the day-to-day in that manner. She will be greatly missed. My sincerely condolences to Jean, her family and friends.

My heart hurts so much.... I never had the chance to meet Cathy in person but from the distance and a sea in between, we worked together for over 10 years and she became a real dear friend... one of the great things about Cathy was that I could feel her smile even in an email..... Forever Remembered, Forever Missed... May my condolences bring the family comfort and may my prayers ease the pain... Our dear Cathy you are going to be missed by so many your were such a wonderful person. I have never had a boss I so admired because you always treated us with such respect. Your Kmart/Sears family and friends will miss you dearly. Cathy was my boss and even after moving to TX with Sears she always stayed in touch and always stopped by to say hi when she came down. She stayed in touch with me even after Sears let me go and I had so much respect for her and love. Heaven sure gained another angel today.God Bless,Linda Wolf and Charles
