Clete was always a straight forward guy. He didn't care about your feelings and would give you the truth no matter what. He was a great grandpa and a softy even though he would act tough. He will be missed mainly for his smart ass mouth. Fly high xoxo

I remember the time that I needed someone to talk with regarding my life and how I was heading towards failure. Clete said to me Jamie you are smart and stronger then you know. He said I need to be a man now and that he would alway be there for me. This has been true all the way up to his death. The only regret I have is not spending enough time with him.
