Ray is and will be a great friend to me. From the day I met him he was my adopted big brother. He took me fishing and hunting. He taught me how to properly clean fish. If I ever had a question about anything I knew I could ask Ray and he would give me his wisdom. I looked up to Ray as a big brother. Ray was always there for me. Ray was patient and took time to listen and provide guidance. Ray you will always be with me in my heart. You will never be forgotten. I will always talk to you through my heart. I will remember the cooking on the spit, fish fries, corn beef, baked beans, the talks about guns, bows, and crossbows. Ray I know you are with aunt Bea and uncle Ray. You are looking down on us. When my day comes we will go hunting and fishing again. Jerry Zacharczuk PhD.

Ray was my friend and teammate at Spring Arbor College from 1973 to 1975 when he graduated with a major in Biology. Although the toughest athlete on campus in the toughest sport, he was also a dedicated student and had a quiet and sincere love of learning. He was a gentle spirit and considerate friend. Ray, may you now enjoy your love of the outdoors as never before, side by side with Jesus. Sincerely, Michael Boivin

Ray was my friend and teammate at Spring Arbor College from 1973 to 1975 when he graduated with a major in Biology. Although the toughest athlete on campus in the toughest sport, he was also a dedicated student and had a quiet and sincere love of learning. He was a gentle spirit and considerate friend, although without question the toughest wrestler to every step on the mat at Spring Arbor. My freshman year in our inaugural year as a program, our most memorable moment was when Ray defeated Mark Law from Hillsdale College, who was defending NAIA national champion at heavyweight. Ray was also 3rd that year in the Michigan Collegiate tournament, which was state-wide competition with representation from all colleges and universities in Michigan competing in wrestling at that time. Injuries kept Ray from achieving the all-American status in that sport that he most certainly could have earned. Yet, no one but a very few of his team mates knew this about Ray, because he would be the last person to ever talk about these accomplishments himself. He was always there as a friend during my Arbor years, good times and bad. Ray, may you now enjoy your love of the outdoors as never before, side by side with Jesus.your friend, team mate, and brother in Christ always, Michael Boivin
