A lot of my childhood memories are at your house playing with legos and play dough. I was lucky to live next to you and your family. Rest in peace. With all my heart Jodie Garska Stamatakis.

Aunt Gloria, my favorite aunt, took me on outings all over Boston when I was a child, 10-12 years old. Frequently these were with her dear friends Marion and Trudy. She took me to see "The Ten Commandments" when it opened in 1956. We went by elevator from Charlestown to Boston. This was a big deal then. She also made me climb all 294 steps of the Bunker Hill Monument with both of us giggling all the way to the top. She took me to the Bal-a Roue roller skating rink in Medford MA. Where she introduced me to her then beau and later husband Mac. Most of all I remember the many hours spent with Aunt Gloria and grandma "Ma" Helen sitting around listening to the radio. Aunt Gloria made me feel special and made me feel loved. She used to hug me so hard and tweak my cheeks so hard they hurt. These are just a few of the loving memories I have that forever hold a place in my heart. Thanks "Aunt Glo". Sugie
