Paul was such an amazing man, brother, son, father, husband, friend, and let's not forget, musician and singer! He was always kind to everyone and was always friendly to all he met! I will miss him every day. My life will never be quite the same without him. One thing that gives me a smile is knowing he is up there jammin' with Tom & Stevie Ray along with many others. Keep jammin' Paul...I love you so much!!!!

Paul was the first "cool" guy I knew, and lucky me...he just happened to be my cousin!! He was that guy in the band, I could say "I know him". He showed me that "cool" also meant kind, giving, warm, funny!! He showed us all the right way to be cool!! RIP Paul, I'm sure you're hanging with the band! Fry Gang, I love you all!! Love, Kathy

When I was eight I met Paul in his playpen on his Grandma Tiz's porch. Somehow we clicked and I began to hang out there. I remember he was barely talking and he could identify car models as they went down Santa Rosa. As time went on I was given more responsibility and soon I had a job babysitting---soon to include brother Larry and sister Mary Cay. When the growing family moved to Madison Hts., it was time to say goodbye. Luckily for me, my sister Dianne married Tom, brother to Paul's father so I've been able to keep up with this wonderful family over the years. Like all first loves, Paul has had a place in my heart over more than this half century. My condolences to June and all his big and loyal family. Louise Thibodeau Winhusen
