Gregg when was living in the house across the street from Gregg with my sons, Gregg was a god send in helping with repairs. He was so caring and kind. He also took my youngest son out driving on his permit when I was a little bit timid about doing that. He and Erin were wonderful neighbors and I was so happy for them when Keller what born. I have moved from the neighborhood, but have wonderful memories of Gregg, definitely of all the deer in our yards.Erin and Keller, my thoughts and prayers are with you, you have my deepest sympathies.Joe still lives at the house across the street if you need something please let us know.Love, Martha

Greg have not seen you in many many years but remember your happy Spirit and huge smile. Living on Barclay with you and your family, many memories. My favorite was when Rib and you came over to 628 Barclay and Rob fell asleep in my parents old dentist chair and you and Kendra Baldrige shaved Rob's hair off. Bald! Oh my he wasn't very happy with you but laughed.

We connected again on FB, one of the many great things FB is for. You could tell the love he had for his Family. This is a great loss for many of his Friends and Family.

My dearest and longest friend, has left us too early... All my love to Dee, Dana, and Rob... To endure such pain and suffering such a short time after big Murph's passing is so terribly sad and unfair. No words can express how awful I feel and how saddened I am and will continue to be. Pieces of my heart and soul have left with Gregg... From our first time meeting at 8 years old or so, we never had a time that we weren't laughing at least part of the time - laughter and hi jinx were his gifts to everyone! Gregg brought so many people joy on almost a daily basis. He had a way of making people feel like they had his full attention whenever he spoke to them as attested to by the numerous people citing him as a best friend! He will always be remembered and forever be missed by everyone that knew him... especially me!
