One of my favorite memories was when i was running around trying to get the house clean so we could make a nice thanksgiving dinner. Gary taught me how to make my first ham. We had a great dinner that year. I also miss when we go out to dinner he took me to a awesome Mexican place near the water for my 21st birthday we had lots of laughs that day. He bought me my first allowed drink breverage. He loved him some red lobster those biscuits he would say.
