As stated in this letter to me upon my separation from the Army. He is someone I'll never forget ever though our meeting was a brief one. He was very thoughtful and very friendly. My condolences to Gary's family and friends. Reagan Kanno SP5

I just saw this obituary of Gary's death last December. I was a high school classmate of his and wanted to send along my late condolences. I last saw Gary at a class reunion about 15 or 20 years ago. He was always a very kind and caring person.
