My Aunt Jean was one of the sweetest people I've ever known. She and my Uncle Jim had no children of their own but my memories are full of how they adored my cousins and I. SO many wonderful times, my favorites being attending the gospel concerts they would host in Detroit. We "4 little ones" (my cousins and I) would act as ushers at these shows and had full access to the backstage areas and the performers. What a time! I miss them both, dearly.
