The man that helped me catch my first fish. Who taught me the correct way to wash the dishes, and make my bed (military style). The man who gave me my love of motorcycles by taking me for my first ride on his Harley when I was just a little little girl. To grown up years spending time at Loui's and our favorite spots on 8 mile. I will forever cherish the memories, and be grateful for our years together "in the brook" I love you dad ♡ Sonia

I love my uncle Barry, but more importantly, as a kid I loved that he loved pizza and ice cream. I loved his cat Harry. They were meant to be together. Rest In Peace, Uncle Barry. ❤️

Barry Fox is MY brother and the best looking brother on the whole damn block. I am his SISTER and will always love and remember what an awesome brother I have. He is forever in my heart and soul and is now with a loving mom and dad along with others who loved him as well. May the Lord help us through this loss and grant us peace untill we are together again. We were baptized with the love of our Lord and that same love is between us forever MY brother. Much peace from YOUR sister Diane.
