Stanley Leon Stepowski, age 93, of Royal Oak, MI peacefully entered his heavenly home on Friday, February 5, 2021. He is preceded in death by his beloved wife of 49 years, Dolores (Skrzyniarz) Stepowski and beloved daughter Marie (Robert) Cicci. Dear brother of Florence (Edwin) Stockman; Loving father of Norine (Thomas) Fox, Deborah (Steven) Pinto, Jaclyn (Richard) Leidal, Lorraine (Joseph) Daly, James (Margaret) Stepowski and Thomas Stepowski; Proud grandfather of Paul Fox, Anne (Eric) Gray, Jessica (Taylor) Laug, Andrew (Vanessa) Pinto, Ryan Pinto, Michael (Jenny) Dow, Christopher (Ashley) Leidal, Adam Leidal, Alex Leidal, Robert (Jessica) Daly, James (Sydney) Daly; and great-grandfather of Nora and Tess Dow, Griffin and Maverick Leidal, Walker Laug, Violet Gray and Emmett Daly.

In 1951 Stanley married Dolores Skrzyniarz in St. Louis the King Catholic Church and a few years later they moved to Royal Oak, MI where they raised seven children and where Stanley lived for the rest of his life. In 1955 he and Dolores joined the parish of St. Mary Magdalen where his children attended elementary school. Stanley supported his family by working in the automobile industry. He was a tool and die engineer by trade and was self-taught without a formal degree. Stanley enjoyed DIY home projects, wood crafting, photography, and even paper crafting. He kept his mind sharp by reading and working Sudoku puzzles, collecting quotes, and was a master story teller. Even in his 90s he worked out regularly at his cardiac rehab center. He enjoyed traveling especially by car. He was a fan of the Detroit Tigers and U of M football. But most of all, he loved just hanging out with his family.

Stanley was a loving and fun family man. He was friendly, personable, very witty and had many friends and acquaintances. He was loved by many and will be dearly missed.

I remember a time when uncle came to visit Mark and I, he took a ride on my horse wearing a cowboy hat and the smile on his face. It was such an enjoyable visit. He will be missed. To the Stepowski family we give you our deepest sympathy, love you, Mark and Janet

I had the pleasure of knowing Mr. Stepowski, aka Pope Stosh, Stosh, and "friend" for the past 54 years. He was a kind loving, enjoyable person. I will never forget his sense of humor. I grew up with his family and enjoyed every minute of it. My favorite memory was being at a restaurant with several members of his family, and he had the people at the next table that he was a "de-frocked" priest and I was a "defrocked" nun and we kicked out of the church for having an affair. Keep in mind there is a 25 year age difference, and I was (am) best friends with his oldest daughter. I loved spending time with him. He touched my heart so many times. He and his family will always be in my prayers!Kathy Wines Thurman

Stanley attended Cardiac Rehab for many years and became more than just a client. I looked forward to seeing him and hearing his stories. He often spoke of his family and it was easy to tell how important you were to him and how much he loved and cherished you. He was a kind, caring, generous man with a great sense of humor who loved sharing a joke. I was saddened to hear of his passing and will miss him. I pray his family and friends will find comfort in their memories of time shared.

Susan, thank you for these kind words, my father looked forward to his mornings at the rehab and always spoke highly of you all. He really missed not being able to go because of Covid. Daddy passed pretty suddenly and peacefully and he was surrounded by loved ones. My heart is ill be forever broken. 😞❤️

My Uncle Stan was delightful. At any family gathering, I was drawn to him and listen to his wit and artful storytelling. Since childhood, he had a very special place in my heart. At Christmas I remember a sleigh he built that was on the roof of his warm Royal Oak home. In the summer, our families were invited to join theirs to Cass Lake or Kensington Park. It was a joy to be with him and my awesome cousins. It was always sad to see the day end. Uncle Stan built a small play ground in his backyard. Surrounded by a corral white wooden fence were playground equipment. As a horse lover of ANY kind, I was totally enamored by the charming carousel he made. There were four brightly painted horses to sit on as someone gave the circle a push. What excellent, caring and creative work my uncle did for his children. My Uncle Stan was a person not afraid to give of his time because he simply loved people. I am so happy that I have countless memories that will remain in my heart as I remember how much I loved him with so many others. I wish you peace, love and blessings from God, dear uncle. --Dorothy's Daughter, Denise
