Dad, My heart is absolutely broken I cannot believe you are gone. You are my hero, my heart, my soul, and I am going to miss you so much.... I miss you already. You were the glue that kept us together and the coolest dude I've ever known, and you always will be. You told the best stories, especially when you would tell scary stories about knock knock street LOL, I feel some sense of peace knowing that you are looking down on us from heaven, drinking a beer with Kevin, eating all your favorite snacks and that you are no longer in any pain. It is never ever going to be the same without your physical presence, seeing you in your favorite chair, with your remote control and all your little notes on the arm of the chair. I will miss watching Jeopardy with you and of course kicking your butt at it LOL! Dear Dad I can go on and on... I know how much you loved me, and I know you know how much I love you, I will love you forever and forget you never... I love you Dad so much, your loving daughter, Shannon
