I'm in disbelief! Rita and I had such a great time as teenager at Lamphere High School. Especially in her 66 Malibu. We took several out of state trips with that car. When I finally got my license, my father had just put a new windshields reservoir in our station wagon. He told Rita and I to fill it up before we cruised Gratiot. We did. We filled it up with beer. We didn't drink, but our friends did. After that, we had one heck of a time getting that beer smell away. We are Rita's house for a long time with those. 😭. Such great memories. Fly high Rita. I'm sure sad! Many, many food memories. NOT ONE BAD.
