the “Loves of her Life.” Kathleen worked as a Certified Nursing Assistant at Beaumont Hospital, Childcare and Healthcare worker. She dedicated her life to taking care of others and taking care of her Grandchildren and children’s pets who she delighted in. Some of her favorite activities were attending Kensington Church, card club with her dearest friends from grade school, reading books, learning about history, trying new recipes, baking, holidays, parties, comedies and loved to laugh. Enjoyed many vacations with her children.

Everyone who knew or met Kathleen was instantly taken in and captivated with her exuberant character. She was so giving, graceful, smart and funny. Her positive, uplifting attitude got her through the tough times. She was a tough, and ever moving lady that had what her Finnish heritage called, “SISU.” Persevering strength and admiralty. She was one of a kind and will be sorely missed, remaining forever with her family in their hearts.

Val, so sorry to hear about your Mother's passing. I lost my Mom 2 years ago this month so I understand what you're going through. I also see that you look like your Mom, as I do mine. Sometimes it feels good to look in the mirror and see her face. Although difficult at times, I now take comfort in it. I know in time it will become easy for you to do as well. My prayer for you and your family is peace and understanding.Lorna

She was a beautiful soul, hardworking single mom who never minded when even more kids stayed over. She was a second mom to alot of us. She loved life, was always smiling and laughing. Kip, Leza, Lauren, Val and Kenny take comfort in the fact that she had a full and wonderful life. She loved you guys with everything she had and together you are a strong and great family, lean on each other in the days to come. That's what mama would want you to do. SISU.
