I'm so sorry for your lost, she was always nice to me Lori when I came and saw you and I always called her Mom. She's in God's hands and she'll be watching over you. God Bless you Mom.

Being at her house with uncle Art, was always the best memories I have ever had with them!!! It was always exciting to go spend a week or 2 up there during the summer, a long weekend during October fest for pies and a parade and eating big breakfasts at 8am and playing in the meadow by the house! Gosh I miss that, I miss them. I know they both are happy and uncle Art and our Lord were waiting at the golden gates for her! I love her so much and I wish I would have seen her more often! Hugs and prayers for everyone!
