Aunt Shirley 🙏🙏 never did I think this would happen so close to losing my mom. I can only think my mom pulled some strings to get her bestie with her, sadly breaking hearts while doing so. The loss of you two really opened our eyes and hearts. We now realize that tomorrow's are never promised. We will miss and love you always ❤️ P.s grandma likes kahluah in her coffee. You ladies take care of each other. Until we meet again #focus 🙏🙏

You were right mom! You were right! My heart is broken. You were loved more than you will ever know. So many broken hearts down here. I know you will keep watch over your grandbabies, but keep an eye on Andy and I too. I knew this day one come someday, but I wasn't ready. My heart is broken and will never be the same again. My comfort is thinking that you are with grandma and grandpa, Aunt Cindy, Uncle Mike, and so many others. I love you and miss you so much mom. Rest now, until we meet again ❤️
